

## Round 5 - Littlemill - Wednesday 16<sup>th</sup> January 2019

If you like Littlemill in the daylight you'll love it in the dark.....

**Entries:** Online on Slentries – [click here](#).

**Safety:** A whistle and spare torch must be carried. There is good mobile coverage in the forest should you wish to take a phone with you on your run. Emergency contact numbers printed on the map.

**Winter Weather:** Due to the time of year, the event is vulnerable to cancellation in case of severe weather. A weather update will be issued 24 hours prior to the event, both by email to all those who have pre-entered and on the club website. NB: waterproof/reflective jackets recommended and may be compulsory.

**Planner's Comments:** Littlemill is an unusual forest of conifers coupled with open land, lochans and eskers. Plenty of features and contour detail together with a good path network. The going is mainly good though there are fallen trees quite widely and in places the forest can feel rustic. Some unmapped extraction lanes.

**Map:** Scale 1:10,000, 5m contour interval.

**Directions and Parking:** From the A9 junction at Daviot, follow the B851 Fort Augustus road SW for approximately 3 miles to Farr Hall, Inverarnie, grid ref NH690351. Please respect local residents and drive carefully along the driveway to the Hall. Parking is at Farr Hall.
